Signing In

Your students can sign in to their Code.org accounts by following these steps:

1. Go to **https://code.org/join**.

2. Type in their section code: **FYLFWW**.

3. Choose their display name.

4. Choose their secret word.

5. Click the "Sign in" button.

Students can find all of this information, including their secret word, in the attached login cards.

<u>Then</u>
